EXPLORE SMR'S SERVICES THAT HELP ELEVATE YOUR ORGANIZATION'S SECURITY EXPERTISE TO THE NEXT LEVEL.

Executive & Professional Recruitment

Where can you find exactly the right person for that specific security position? SMR's consultants design and implement an effective search plan to secure the best possible candidates worldwide.

Organizational Alignment

How does the structure of your security organization measure up both internally and in comparison to other corporations? SMR's team reviews your assets in comparison to your goals and helps you structure successful plans for future challenges.

Talent & Market Mapping

Thinking about succession planning or expansion in security staffing and want to know what talent will be available when the time is right? SMR's unique relationships within the security community mean we effectively identify key individuals who can play pivotal roles as your plan evolves. We ensure you're ready no matter what the challenge.

Transition Coaching & Mentorship

How can you ensure a good first impression and smooth transition for your new security leaders? SMR structures programs that help guide and mentor your just-acquired or promoted executives as they step into their new roles and responsibilities.

UNIQUE CAPABILITIES, EXCLUSIVE SERVICES

A full service security recruitment company, Security Management Resources® serves as a trusted partner when you design, expand or refine security risk related functions in your organization and want to ensure you have the right strategy and the right people to achieve success.

SMR's expert team finds the best security leaders and professionals for your organization, and our full-service approach offers you the benefit of our worldwide experience.
